

## Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact [support@jstor.org](mailto:support@jstor.org).

## REPORT OF THE PUBLICATION COMMITTEE 1900.

*To the Officers and Members of the Historical Society of Southern California:*

We, the undersigned, members of the Society's Committee on Publication, do respectfully report that in accordance with the order of the Board of Directors we have had printed six hundred copies of the Society's Annual for 1900. With this issue we begin Volume V. The Annual continues to bear the double title adopted at the beginning of Volume IV, "Annual Publication of the Historical Society of Southern California and Pioneer Register."

Papers for publication have been selected from the collections of both the Historical and Pioneer Societies. These papers embrace a wide range of subjects, but all pertain to some phase of history.

In this, as in all previous publications of the Society, it is understood that the authors, and not the Society or the Committee, are responsible for the statements made in their papers, and for the views and opinions expressed.

Respectfully submitted,

J. M. GUINN,  
H. D. BARROWS,  
Committee.
